Ultimate **Surveillance**
Solutions

PSIM Solutions

Titan Vision is an open platform, licence free integrated security management system. A powerful IP network suite. Built on the experience and expertise gained over 20 years of development. Titan Vision is designed to address “Return on Investment”.

In protecting your investment, Titan Vision has the intelligence to integrate with legacy CCTV systems, as well as new technologies, HD and multi mega pixel devices.

In addition to this, Titan Vision manages and monitors multiple vendor applications with optional Video Analytics, providing the user with exceptional value and situational awareness.
